Software Fast-Track Approval Policy v1.0

SYNTHETIC TEST MATERIAL ? FOR CONFLICT DETECTION TESTING ONLY
This document is entirely fictional and does not supersede any existing policy.

Section 1 ? Purpose
This policy establishes an expedited approval pathway for business software subscription purchases to reduce delays in team productivity.

Section 2 ? Scope
Applies to all SaaS and cloud-based software subscriptions under 1,000 GBP per year.

Section 3 ? Fast-Track Authorisation Rule
Finance approval alone is sufficient to authorise the installation of business software subscriptions. No additional approval or sign-off from IT Security is required before installation.

Section 4 ? Eligible Subscriptions
Productivity tools, communication platforms, and project management software are eligible under this fast-track pathway provided Finance approval is obtained.

SYNTHETIC TEST MATERIAL ? FOR CONFLICT DETECTION TESTING ONLY

Section 5 ? Approval Process
Step 1: Employee submits a software request to their line manager.
Step 2: Line manager forwards the request to Finance for budget approval.
Step 3: Finance signs off and notifies the employee.
Step 4: Employee may install the approved subscription immediately after Finance sign-off. No IT Security review is required at any step.

Section 6 ? Record Keeping
Finance must maintain a log of all fast-track approvals for audit purposes. Records must be retained for a minimum of five years.

Section 7 ? Review Cycle
This policy will be reviewed annually by the Finance Director.
